Submission of Applications

It is requested that applications be submitted with information in the following order:

1. A completed questionnaire. This is important: cases are delayed if there is no completed questionnaire. N.B. Item 3. The charity registration number must be that applicable to the organisation applying.
2. A synopsis of the key elements set out on one or more sheets of A4 paper.
3. A detailed description of the purpose for which a grant is sought. Where applicable this should be backed up with the reports of consultants and professional advisors.
4. Full details, including quotations if applicable, of the cost of the project.
5. A statement of the way in which it is proposed to fund the project, with information on other money which will, or may, be committed alongside that of the Foundation.
6. The latest financial statements of the enterprise to be assisted, including audited accounts if applicable. N.B. It may be appropriate to include statements of any parent organisation.
7. In the case of a club or organisation a potted history of its founding, development and future aims.
 - a. What number of people can be accommodated in the auditorium or spectator accommodation?
 - b. The Precise nature of the ownership of the club, society, premises, trustees, members, committee or the like.
 - c. How many members, age range, affiliations, junior section etc.
8. Information as to the persons who will be involved in the realisation of the plan. Where available and applicable, facts as to suppliers and contractors who will be, or who may be, invited to give effect to the proposals.

It does not matter if you repeat any information under items 2-8 that you have answered on the questionnaire.

Send your applications to:

Secretary to the Trustees, Walton House, 55 Charnock Road, Walton, Liverpool, L67 1AA.

PLEASE NOTE:

Following a review of the current level of reserves and in light of the fact that their only source of income is now the interest generated by those reserves, the Trustees have decided to cease the activities of the Foundation at the end of March 2012. This will enable them to continue to make awards at the current annual levels, and to bring matters to a close in the same year as the London Olympics – a fitting climax. To assist a smooth closure program, no new applications for funding will be considered after the end of March 2009.
